

Drew Pepin

ASSOCIATE SOFTWARE ENGINEER

Profile

Current Associate Software Engineer and Computer Science student offering enthusiasm and understanding of various programming languages. Looking to join an organization where opportunity for growth and professional development is embraced. Focused on expanding knowledge and abilities in website design, programming and quality assurance.

Employment History

Associate Software Engineer, Liberty Mutual Insurance, Portsmouth

MAY 2022 – PRESENT

I am currently working as an Associate Software Engineer at Liberty Mutual Insurance through the Tech Start Program. This position has given me experience in the tech field, working within a team in an agile environment. I was responsible for creating and managing my own code to help build and develop.

Key Holder/Supervisor, Pure Hockey, Dover

APRIL 2014 – APRIL 2022

- Offered hands-on assistance to customers, assessing needs and maintaining current knowledge of consumer preferences
- Generated repeat business through exceptional customer service and responded to customer concerns with friendly and knowledgeable service
- Coached team on effective up-selling and cross-selling methods

Education

Computer Science - Software Engineering, Southern New Hampshire University, Manchester

JULY 2021 – PRESENT

I am currently earning my Bachelor's Degree in Computer Science with a focus in Software Engineering at Southern New Hampshire University.

Web Development, University of New Hampshire, Durham

JUNE 2019 – DECEMBER 2019

I graduated from the University of New Hampshire Coding Boot-camp where I earned a certificate in Full Stack Web Development.

Statistics, University of New Hampshire, Durham

SEPTEMBER 2015 – APRIL 2017

I studied statistics and journalism at the University of New Hampshire for 2 years.

Business Management, Great Bay Community College, Portsmouth

SEPTEMBER 2014 – APRIL 2015

I studied Business Management at Great Bay Community College for a year before transferring.

High School Diploma, Spaulding High School, Rochester

SEPTEMBER 2009 – JUNE 2013
